At St Augustine's our vision is to engage the whole of our school and community in realising the potential of all our pupils.

We believe that a close partnership between home and school is vital to help children and young people get the best from their education.

Home School Agreements

are a part of every school's partnership with parents.

This agreement enables parents, teachers and pupils at our school to make a clear commitment to working together.

The agreement makes clear what is expected of teachers, parents, carers and pupils, so that pupils will be happy, safe and successful at school.

We also hope that as parents, you will take an active part in your child's education.

Attendance

We take attendance levels very seriously in line with Government policy and strive to achieve over 95% attendance at all times. It is vital your child attends School wherever possible but should they be unwell, telephone and advise us so we can ensure the correct absence mark is recorded.

It is important that your child attends School on time and is collected on time. For further information on our Late Collection and all attendance policies, please click the [link](#) or visit our website.

Extended Leave

We strongly advise to book holidays during the School holiday periods. Any holidays/visit abroad which does not meet the regulations or discretionary criteria will be unauthorised. A period of 5 consecutive day's absence will incur a penalty. Please contact our Home School Liaison Officer if you have any queries.
