

Headteacher Welcome

On behalf of all staff and governors at St Augustine's Church of England School, I would like to welcome you to our website. Our website aims to give you a flavour of what school life is all about alongside useful and important information for both children and parents and carers. Please take a moment to enjoy browsing what's on offer – our website is updated regularly, so make sure that you come back often!

Our school is situated in West Central Halifax and serves a local community where children from different faiths, backgrounds and abilities learn, socialise and play together. We are a church school and work hard to embed our Christian values into all aspects of school life.

As Interim Headteacher, I am extremely proud of the progress made at St Augustine's over the past year. Our fantastic pupils, amazing staff team, involved and knowledgeable governors and supportive parents make it a wonderful place to work, learn and grow together. From September 2020, we will be implementing our newly designed curriculum which will provide high quality learning opportunities, based on the interests and experiences of our children. Through personalised learning, each child will develop their knowledge, skills and individual qualities within a safe learning environment.

There are many opportunities for parents and carers to get involved with their child's education. A strong partnership between school and home gives the best opportunity for a child's success. You will be made to feel most welcome at our regular family learning events and coffee mornings arranged by the Pastoral Care Team.

I hope that you find browsing our school website useful. Please do not hesitate to contact me should you require any further information.

I look forward to meeting you!

Yours sincerely

Mrs Louise Brennan

Interim Headteacher
